ACKNOWLEDGEMENT

The satisfaction that accompanies the successful completion of any task would be incomplete without the mention of the people whose ceaseless cooperation made it possible, whose constant guidance and encouragement crown all the efforts and success. I would like to express my gratitude towards **Tribhuvan University** for including this subject in the curriculum and providing the basic practical knowledge and academic knowledge necessary to complete this project.

I would like to express a deep sense of thanks and gratitude to our project guide **Mr. Ramesh Chalise** for showing trust and always motivating me to continue my project. His constructive advice and motivation have been responsible for the successful completion of this project. I extend my sincere thanks to **Janapriya Multiple Campus**, which provided me with the opportunity to fulfil my wish and achieve my goal. I extend tons of thanks to **Mr. Mekh Raj Poudel** who provided necessary information and guidance to finish this report within the limited time. I cannot move on without expressing deep debt to beloved Co-ordinator **Mr. Yam Kumar Baral** for creating the required academic environment, which makes my task appreciable.

I extend my great thanks to **Ms. Arohi Mittal** who gave me the title for my project. I would also like to extend my heartfelt appreciation to my family and friends who have always supported me. Last but not the least, I would like to thank all for their unnoticed but invaluable contribution, encouragement and support.

EXECUTIVE SUMMARY

This is a summer project report entitled “HI5TREASURES._.PKR(AN E-COMMERCE WEBSITE FOR GIFT SHOP)”. This is a web-based system for the people searching exclusive gifting idea. This website has two accessing modes, admin and users.

It is essential for any organization to let their customer know about the services they provide and this website enables the admin to communicate with the people about their products, categories and services. It is the job of the admin to insert, update and delete the products and categories and maintain the website by providing the information about the organization.

This website helps the users to search for the products they want, add to cart, place order and purchase them online. It allows the users to view detailed and updated information about products and services “HI5TREASURES._.PKR” provides. It helps them to share their important feedback and contact them if they have any queries.

The e-commerce website was built through very thorough research. I contacted the owner of HI5TREASURES._.PKR and based on the information provided by her, the current status of HI5TREASURES._.PKR was examined. The gathered information and status were utilized in order to design, develop and execute a system that can solve every existing problem faced by HI5TREASURES._.PKR.

I believe that the system will operate smoothly and fulfil the requirements of HI5TREASURES._.PKR to save time spent to communicate to the customers about their products.
